HELPFUL HINTS FOR SAG APPLICATIONS

November 1, 2000 is the application deadline for the large Site Assessment Grants (SAG), for those properties needing over \$30,000 to \$100,000 of assessment and investigation. The DNR would like to announce a newly created document meant to help those interested in applying for upcoming SAGs. After awarding the first round of the new site assessment grant, we thought it would be beneficial to create a "Helpful Hints" document that may answer some common questions, and help you to better prepare your November 1 application. Below is a link to the "Helpful Hints" file on DNR's Community Financial Assistance webpage, in their "what's new" section. It is a PDF file, and you will need Adobe Acrobat to open it. If you have any problems opening the file, or have any questions, please call or email Anna Thomas at (608) 264-6007, [thomaa@dnr.state.wi.us](mailto:thomaa@dnr.state.wi.us)
